Dear Ms. Garcia:

Pursuant to C.F.R. Section 302.7, this is a claim to royalty fees for secondary transmission by cable television systems during the period January 1, 1993 through December 31, 1993.

I. The full legal name and address of the claimant is:

The Spartan Radiocasting Company  
P.O. Box 1717

II. Claimant is the licensee of television broadcast station WSPA-TV, Spartanburg, South Carolina. It owns the copyright in various television programs, including News Channel 7, Monday through Saturday, 6:00 p.m. and 11:00 p.m., Sunday, 11:00 p.m. -- a locally originated and copyrighted news program, and various locally produced public affairs, informational and entertainment programs broadcast by that television station during 1993. This claim is based on the secondary transmission of these programs by cable television systems beyond the local service area of the station.

A specific example of a program for which claimant owns the copyright and for which it is entitled to receive royalty fees is the News Channel 7 news reports and weather forecasts of the South and North Carolina and Georgia region. This program was broadcast by the station on various dates, including July 2, 1993 at 6:00 p.m. and retransmitted by Lancaster Cable TV, a cable television system, to subscribers in Lancaster, (Lancaster County) South Carolina. This cable community is beyond the local service areas of the station.
